Terms & Conditions of Internship

Your internship with Innovateloop Solutions shall be governed by the following terms and conditions, which may be amended by the company from time to time.

You are being selected for 1-3 months internship. During this period, you will be required to complete the assigned training modules on our partner platform and subsequently work on a live project in accordance with the project requirements outlined in the project proposal. Upon successful completion of the internship and submission of the assigned project, you will receive a stipend as per Annexure–A.

All work created by you during or in connection with your internship at Innovateloop Solutions shall remain the exclusive intellectual property of the company. You are strictly prohibited from copying, storing, sharing, selling, or distributing any company-related material to third parties under any circumstances. You are also expected to refrain from discussing or publishing any work-related information on public platforms, whether online or offline.

Throughout the internship, you will be required to use a computer system and maintain a stable internet connection to ensure uninterrupted participation in training and project activities.

The internship will be conducted in remote mode, and all tasks, assignments, and project submissions must be completed and submitted through the company's Learning Management System (LMS).

Upon completion of the training program, candidates may be considered for additional project opportunities based on their performance in the final project assessment. Allocation will be determined by overall consistency, practical skill application, and readiness to handle real-world projects.
